Killingworth Archers '252' Challenge

Background:

The "252" award is a recognition of an archer's ability to score 252 points (or more) at a variety of distances, over three dozen arrows. It is an award scheme in use at many archery clubs in the UK, and applies to all archers, irrespective of age, ability or bow type.

The Rules:

6 sighters to be followed immediately by three dozen scored arrows (or part of a round), to be shot at a distance of the archer's choosing (see below), with a score of 252 (recurve) or greater to be achieved to qualify for the award (maximum score = 324). Scores needed for Compound, Longbow and Barebow are adjusted thus:

Compound 280
Bare Bow 181
Longbow 121

In the interests of consistency, a score of 252 + (depending on bowstyle) needs to be achieved twice to qualify for the 252 award

The score must be witnessed by a second member.

Because of the method behind the 252 score, imperial distances (per table below) will be used, as will 5-zone scoring on a standard 122cm diameter face (gold = 9, red = 7, blue = 5, black = 3, white = 1, miss = 0).

You can shoot just the 3 dozen plus your sighters, or the score can come from a consecutive three dozen arrows if the three dozen was part of a recognized, scored round; evidence of the score with the relevant three dozen arrows clearly identified must be submitted.

Awards must be claimed in order.

<u>DISTANCE</u>	<u>Award</u>
20 YARDS	Orange
30 YARDS	White
40 YARDS	Black
50 YARDS	Blue
60 YARDS	Red
80 YARDS	Gold
100 YARDS	Purple
