### **Outdoor Shooting venue.**

Amberley Playing fields Killingworth. Please note the KYPC all weather 3G pitch nears completion. We have been advised that, the last remaining work to be carried out prior to reopening fully will be the car parks.

As such & with weather permitting from Monday 30<sup>th</sup> September, the car parks will all be closed for resurfacing & access to the fields won't be possible, possibly for all that week. We will be indoors on the Tuesday and Wednesday evenings and Saturday morning but it may affect those wanting to shoot on the Thursday morning.
